STAZA PLIVANJA

Plivanje se odvija na kružnoj obeleženoj stazi prvog dana u smeru suprotnom od kazaljke na satu, a drugog dana u smeru kazaljke na satu. Start i cilj su na istom mestu. Plivači su dužni da prvog dana bove obilaze sa desne strane, a drugog dana sa leve strane. Ulazak u ciljni koridor obeležen je narandžastim stazama i vertikalnim markerima. Plivači su dužni da rukom na kojoj nose čip narukvicu dodirnu ciljnu luk kako bi senzori detektovali rezultat. Prosečna dubina vode na stazi plivanja je 4-8 m. Materijal dna kanala je pretežno pesak, šljunak i rečni mulj. Zona za prehranu na stazi dužine 10 km nalazi se na okretu. Pristup zoni imaju isključivo treneri akreditovani na tehničkom sastanku. U zoni će dežurati sudija koji će vršiti kontrolu hranjenja prema pravilima. Okretne bove su crvene boje kako bi bile jasno uočljive plivačima. Bove za usmeravanje (orijentaciju) su žute boje, postavljene su na ravnim delovima staze i pomažu plivačima da zadrže pravac između ključnih tačaka. Na okretu se nalazi sudija koji vrše kontrolu pravilnog prolaska plivača oko bove. Tokom trke, na svakom završenom krugu mere se i beleže prolazna vremena za svakog takmičara.

Tri prvoplasirana takmičara po kategorijama (m/ž) nagrađuju se medaljama „Super Liga“. U apsolutnom poretku prve tri pozicije (m/ž) nagrađuju se peharima.

VAŽNE INFORMACIJE

Pravo nastupa imaju domaći i strani plivači oba pola. Plasman je odvojen između muških i ženskih takmičara. Takmičari nastupaju na ličnu odgovornost što potvrđuju potpisom na izjavi o odricanju od odgovornosti organizatora. Maloletne osobe nastupaju uz saglasnost roditelja ili staratelja. Klub je odgovoran za zdravstveno stanje svojih članova.

Svi takmičari tretiraju se jednako, bez obzira na pol i uzrast, bezbednost i integritet smatraju se najvažnijima.

O bezbednosti plivača brine profesionalni spasilački tim (spasioci-ronioci) sa razrađenim akcionim planom za hitnu evakuaciju.

Bilo slučajno ili namerno, doping je protiv pravila sporta.

<https://adas.org.rs>

Takmičari su dužni da poštuju povelju Fer-pleja.

Takmičari mogu usmenim putem uputiti primedbu Vrhovnom sudiji. Žalbu podnose na pisanom obrazcu Takmičarskoj komisiji koju čine Vrhovni sudija, Komesar i Direktor takmičenja, uz plaćanje takse u iznosu 5.000 rsd. Ukoliko komisija utvrdi da je žalba osnovana organizator će refundirati novac za plaćenu taksu.

Preuzimanjem elektronske narukvice za merenje vremena, takmičar se obavezuje da će istu vratiti organizatoru odmah po završetku plivanja. Potpisivanjem izjave, takmičar prihvata obavezu da u slučaju gubitka ili oštećenja narukvice nadoknadi troškove u fiksnom iznosu od 9.000 dinara.

SMEŠTAJ U KOSTOLCU

Takmičari koji dolaze iz inostranstva dužni su da dostave podatke o svom smeštaju u R. Srbiji. Preporučujemo učesnicima smeštajne kapacitete u arheološkom parku Viminacium.

<http://viminacium.org.rs/arheoloski-park/turizam/smestajni-kapaciteti/>

<https://togp.rs/>

"Takmičenje se održava prema odredbama Zakona o sportu, Takmičarskom pravilniku PSS i ostalim normativnim aktima PSS. Na sva pitanja koja nisu regulisana izvodom iz propozicija ovog takmičenja, Takmičarskim pravilnikom i Pravilnikom o organizaciji takmičenja i učešću na takmičenju, primenjuju se Međunarodna pravila plivanja i pravila WA."

COURSE DESCRIPTION

The race will be held on a marked loop course. On the first day, the swimming direction is counter-clockwise, and on the second day, it is clockwise. The start and finish lines are at the same location. Swimmers must pass the buoys on their right side. Entry into the finish chute is marked with orange lanes and vertical markers. To record their result, swimmers must touch the finish arch with the hand wearing the timing chip bracelet. The average water depth along the course is 4–8 m. The bottom of the canal consists mainly of sand, gravel, and river silt.

FEEDING ZONE AND COURSE MARKING

Feeding Zone: For the 10 km race, the feeding zone is located at the turn. Only coaches accredited during the technical meeting are allowed access. An official judge will be present to monitor feeding according to the rules.

Turn Buoys: These are red to ensure high visibility for the swimmers.

Orientation Buoys: These are yellow, placed along straight sections to help swimmers maintain their line between key points.

Monitoring: A judge will be stationed at the turn to ensure all swimmers pass the buoys correctly.

Split Times: Intermediate split times will be measured and recorded for every competitor upon the completion of each lap.

Water Quality

The water is bacteriologically safe, regularly monitored, and safe for swimming.

Expected Water and Air Temperatures

Water Temperature: 21–24 °C

Air Temperature: 14 °C (min) – 29 °C (max)

Timing

Manual and electronic timing will be used.

AWARDS

Category Awards: The top three competitors in each category (M/F) will be awarded "Super League" medals.

Overall Standings: In the absolute ranking, the first three positions (M/F) are awarded with cups.

IMPORTANT INFORMATION

Eligibility: The competition is open to domestic and foreign swimmers of both genders. Results and rankings are separated into male and female categories.

Liability: Competitors participate at their own risk, confirmed by signing a liability waiver. Minors must have the consent of a parent or legal guardian. Clubs are responsible for the health status of their members.

Fairness and Safety: All competitors are treated equally, regardless of gender or age. Safety and integrity are considered the highest priorities.

Safety Team: Swimmer safety is managed by a professional rescue team (lifeguards and divers) with a detailed action plan for emergency evacuation.

Anti-Doping: Whether accidental or intentional, doping is against the rules of sport. For more information, visit: <https://adas.org.rs>

Fair Play: All competitors are required to respect the Fair Play Charter.

Protests and Appeals

Protests: Competitors may submit a verbal protest to the Head Referee.

Appeals: Formal appeals must be submitted in writing to the Competition Commission (consisting of the Head Referee, Commissioner, and Competition Director) along with a fee of 40 €. If the appeal is upheld, the fee will be refunded.

Timing Wristbands

By collecting the electronic timing wristband, the competitor commits to returning it to the organizer immediately after finishing their swim.

By signing the waiver, the competitor agrees to compensate the organizer for a fixed amount of 70 € in case of loss or damage to the wristband.

ACCOMMODATION IN KOSTOLAC

Foreign competitors are required to provide information regarding their accommodation in the Republic of Serbia. We recommend the accommodation facilities within the Viminacium Archaeological Park.
